You may wish to print these images to create a resource for your students to refer to. They have been kindly supplied by Carolyn Peisker of Wellers Hill State School.

If you have a resource or ideas you would like to share please send them to [primary.arts.network.brisbane@gmail.com](mailto:primary.arts.network.brisbane@gmail.com)

## Art from the classroom

The beautiful letter designs below come from Julianne McDougal's classroom (Anglican Church Grammar Preparatory School)

Letters were decorated with colourful pattern and warm and cool colours create contrast. Aboriginal Art provided inspiration for these artworks.

## PAPER ROLL GIVEAWAY

There is a source available of good quality 80 gsm white paper that would be very suitable for art and project work in classes.

The paper is the remnant of large rolls used by Fuji Xerox in print runs. The rolls are 470 mm wide and of varying lengths - probably 20-30 m.

The rolls are available for **free** from the Fuji Xerox warehouse in Parkinson (near Browns Plains). They are very keen to get rid of them as they will otherwise be pulped!

The contact at Fuji is:

Tracy Williams  
Warehouse Supervisor  
62 Sandstone Pl  
Parkinson Qld 4115  
W 3809 7262

Please call Tracy to check on availability and collection times as teachers will need to collect stock from the warehouse. You may be able to arrange pick up by courier but please check with Tracy if this is suitable.  
I hope you have great fun with the paper!
